Department of Cultural Affairs' Los Angeles Municipal Art Gallery (LAMAG) is pleased to present a trailblazing exhibition SKIN, which will take place at the famed Los Angeles Municipal Art Gallery (4800 Hollywood Blvd.) from February 7 to April 17, 2016. The timely, topical and thought-provoking presentation examines the work of 36 contemporary artists—from established to emerging—who are expanding the ongoing dialogue about race and identity, while challenging the very definition of skin color. With works by notable artists such as Kara Walker, Nery Gabriel Lemus and Ken Gonzalez Day, the show promises to be a visual feast with its size and scale, mixed media artworks and powerful content designed to build a greater understanding of racial relations and breakdown negative stereotypes.
