Los Angeles World Airports has partnered with Los Angeles' Department of Cultural Affairs (DCA), to launch two new art exhibitions at Los Angeles International Airport (LAX) by artists David Jang and Jody Zellen.

Exploring aspects of everyday life hiding in the plain sight the exhibitions will be on display from January, 2018 in the hub's Terminal 3.

Commenting that the artworks transform the hub by providing refreshing experiences for travellers, Danielle Brazell, general manager, DCA, revealed, " The works by Jang and Zellen reconstruct our relationship with everyday objects to give people an opportunity to think about art in unexpected ways. Greeting travellers with these stunning new exhibitions elevates the welcoming experience for all who are visiting or returning to Los Angeles."
