CURRENT: LA FOOD is a food-themed, museum-quality public art throughout Los Angeles for visitors and locals alike to explore. In partnership with the Institute of Contemporary Art Los Angeles (ICA LA), DCA has commissioned 15 artists to take on the subject of food accessibility and equity and will feature works by artists such as Ry Rocklen, Michael Rakowitz, Jazmin Urrea, and Nancy Lupo. Installations will be throughout the city in 15 public parks and neighborhoods. All installations and related programming, including 75 events,...
