“Loitering is Delightful”

Art FREE

Time Out says

Ten artists dive into the racial and political implications and semantics of loitering with this show at the Los Angeles Municipal Art Gallery. “Loitering is Delightful” celebrates the process of taking your time and enjoying your surroundings without any particular aim—you know, like at an art gallery. Participating artists include Milano Chow, Lauren Davis Fisher, Ishi Glinsky, David Horvitz, Dylan Mira, Joshua Ross, Asha Schechter, Cauleen Smith, Lani Trock and Megan Whitmarsh.
